## Acrylic Enamel Topcoat

- TIME-TESTED ACRYLIC ENAMEL FORMULA PROVIDES EXCELLENT VALUE AND LONG-LASTING PROTECTION
- AVAILABLE IN 45 STOCK FACTORY-PACK COLORS
- NATIONAL RULE COMPLIANT

ACRYL-GLO Acrylic Enamel Topcoat paints provide a durable finish that is easy to apply and suitable for both commercial and passenger vehicle work. These single-stage paints are a popular choice and will give any vehicle a “right off the production line” look.

Engineered from top-quality raw materials, this topcoat system combines economic value with long-lasting durability. Can be used with our without optional hardeners for even further improved performance.

ACRYL-GLO provides excellent adhesion over virtually any type of original equipment finish with the proper preparation, and is formulated to withstand the type of wear typical for commercial vehicles.

Refer to Technical Data Sheet (available online) for more specific mixing and application directions.
