## Synthetic Enamel Topcoat

- EXCEPTIONAL VALUE
- AVAILABLE IN 19 STOCK FACTORY-PACK COLORS
- HIGH BUILD, DEEP GLOSS, RICH COLOR, FAST COVERAGE
- NATIONAL RULE COMPLIANT

Kirker's Synthetic Enamel paints are easy to apply, offering a durable, beautiful finish designed to stand up to the everyday abuse endured by commercial vehicles and heavy equipment. Long-lasting color retention plus high build combine to make this a fine line of synthetic enamel topcoats. Can be used with or without optional hardener for further improved durability and faster drying.

SYN-GLO provides exceptional value. This economical system is available in 19 popular pre-mixed, factory-packaged colors.

Refer to Technical Data Sheet (available online) for more specific mixing and application directions.
